

Preface

International Conference on Recent Advances in Pure and Applied Mathematics (ICRAPAM 2015) was held in Istanbul, Turkey, at the Faculty of Arts and Science, Istanbul Commerce University, from June 3 to June 6, 2015. It was the second edition of such conferences, and the first conference under the same name was organized in Antalya, Turkey, from November 6 to November 9, 2014. The chairman of the Organizing Committee of ICRAPAM 2015 was Professor Ekrem Savaş, and the Scientific Committee consisted of mathematicians from 16 countries. 400 participants from 45 countries attended the conference and 325 papers have been presented, including 9 plenary lectures and 25 presentations in Poster Session.

The conference was devoted to almost all fields of mathematics and variety of its applications. The organizers gratefully acknowledge a partial financial support by Scientific and Technological Research Council of Turkey (TUBITAK) and Istanbul Commerce University.

This issue of Filomat contains 38 papers presented at the conference and selected by the usual editorial procedure of the journal. We would like to express our gratitude to the authors of articles published in this issue and to the referees for their kind assistance and help in evaluation of contributions. Special thanks to Filomat, in particular to Editor-in-Chief Dragan S. Djordjević, for the support.
